Please find below and/or attached an Office communication concerning this application or proceeding.

Requirement for Information - 37 C.F.R. § 1.105

1. Applicant and Assignee of this application are required under 37 C.F.R. § 1.105 to provide the following that the Examiner has determined is reasonably necessary to the examination of this application.
2. In response to this requirement, please provide:
 - a. Any/all currently and/or previously associated trade name(s), and the earliest available user manuals of any goods or services the claimed matter is embodied in.
 - b. The dates initially published and copies of the earliest available associated descriptive documentation, i.e., white papers, sales brochures, and advertising/promotional literature, prepared for any goods or services the claimed matter is embodied in.
3. See MPEP § 704.11(a) and 37 C.F.R. § 1.105(a)(i)-(vii) for further explanation of this requirement, if necessary, in order to constitute a proper reply for response to this request(s). It is noted MPEP § 704.12 specifically recites what constitutes proper and improper replies to this requirement.
4. This request is made in view of the special status of this application and alleged infringement of the claimed invention, and the prosecution history which includes arguments made by Applicant, and serves to assist in determining whether newly and previously uncovered references constitute prior art against specific claims present in this pending application.

This requirement is subject to the provisions of 37 C.F.R. § 1.134, § 1.135, and § 1.136 and carries a shortened statutory period of two (2) months. Extensions of this time period may be granted under 37 C.F.R. § 1.136(a) as specified in 37 C.F.R. § 1.105(c).
